

WELCOME

Welcome to the Mississippi Department of Finance and Administration's Office of Surplus Property, and welcome to savings. This program, organized in March of 1946, has the authority to acquire surplus goods from both the Federal and State government and allow these surplus goods to be utilized by public and private organizations of the State of Mississippi who are dedicated to the education, training, health, civil protection, safety, and administration of other benefits to our taxpayers.

Our mission is to save tax dollars by supplying good property to state and local organizations at a low cost. We aggressively seek out the best surplus property available and make it available to you, the Donee. We find property ranging from office furnishings to heavy equipment, vehicles and aircraft. We also keep our overhead, travel, and freight costs low in order to pass more savings on to the taxpayers. Our Surplus Property program saves millions of taxpayer dollars every year.
